

The Scott Mission

Position: Camp Maintenance Assistant
Work Location: 3852 The Grange Sideroad, Caledon
Status: Full Time

Department: CYC
Start Date: TBD

Founded in 1941 as a non-denominational Christian ministry, The Scott Mission community is called to serve those who experience poverty; responding to spiritual, physical, social and emotional needs of the vulnerable of all ages.

The Scott Mission is a community that continually seeks to be:

- centered in and dependent on Jesus Christ
- gracious, generous and collaborative in our relationships
- servant hearted, innovative and professional in our work
- rooted in God's rescuing work in history

Our Vision Prayer: Poverty in full retreat, flourishing for all, in Toronto and beyond. The Mission is currently undergoing a transformational, five-year strategic plan with the following objectives in place: Increasing capacity and enhancing basic needs services, deepening clients' transformational impact, multiplying partnerships and offering spiritual leadership to Canadians. We are currently looking for a Camp Maintenance Assistant.

Qualifications:

- Proven ability to work in a fast paced environment, receive instructions and complete tasks as directed
- Some Skill in various trades like plumbing, carpentry, mechanics and construction as well as in hospitality and janitorial tasks
- Necessary physical strength to complete maintenance tasks and repairs i.e. safely lift and carry up to 50 pounds
- Desire and ability to interact and work in a camp community
- Ability to assist in giving guidance to a small team of staff during the summer months
- Familiarity with computerized applications such as Excel, Word, Email etc
- Proven ability to maintain absolute confidentiality regarding campers, as well as personal and professional integrity in matters of relationship, programs and work ethic
- Team experience that creates and maintains a positive environment with fellow colleagues
- Comfortable with flexibility in daily, weekly and seasonal routines; including regular evening and weekend work
- Comfortable in a work environment that is frequently outdoors with exposure to varying temperatures
- Committed to safety, integrity and reliability
- A high degree of initiative, self-motivation, trouble shooting skills, and attention to detail
- Good written and oral communication skills and the ability to develop solid internal and external relationships
- Able to execute maintenance assignments in an efficient and timely manner.
- Occupational Health & Safety, Environmental Health policies and practices is required
- Must possess a valid Province of Ontario Class "G" Driver's License. Ability to operate all camp-owned vehicles
- Be willing to receive additional training for Pool Maintenance and Working at Heights and other certifications as needed (all necessary training will be provided)

Duties & Responsibilities:

- Provide assistance to the Maintenance Coordinator in maintaining the high standard of hospitality and effectiveness of the property and facilities, as a place meant to minister the hearts, minds, bodies, and souls of campers, guests and staff.
- Welcome and host weekend rental groups and be on call to support them as needs arise
- Assist in maintaining the camp property according to annual work plans and schedules, under the direction of the Maintenance Coordinator and Directors
- Assist in leading volunteer groups who come on property to serve at the camp
- Assist in providing supervision to summer maintenance staff in their cleaning, and facilities/property maintenance tasks.
- Perform basic emergency repairs as needed and directed
- Perform regular cleaning and sanitation of various buildings on camp property, preventative maintenance, and health and safety work orders
- Maintain the property throughout the year whether by grass cutting, trail maintenance, road maintenance, snow removal etc.
- Maintain a clean and safe work environment in maintenance area workshops, garages and camp wide storage areas.
- Assist in maintaining and monitoring septic, water, fire, electrical, chemical and propane systems and supplies
- Operate a variety of manual and motorized equipment
- Perform Swimming Pool Maintenance in the summer months – daily cleaning, chemical testing
- Assist in conducting weekly water testing as per regulation 170, including daily grab samples and monthly lab samples
